MEMORANDUM FOR Chief, Department of Clinical Investigation

SUBJECT: Clinical Investigation Program Research Study Protocol Signatures

Reference: AR 40-38, Appendix G, Guidelines for a Clinical Investigation Protocol

1. In order to eliminate confusion about protocol signatures, the following individuals are required to sign the research study protocol, in addition to the appropriate approving official.

- a. Principal investigator
- b. Associate investigators

2. These signatures document that study investigators are aware that they are research study team members.

A handwritten signature in black ink that reads "James M. Lamiell".
