 Cp Atterbury, IN
 Cp Roberts, CA
 Cp Shelby, MS
 Gowen Field, ID

 = No Inpatient Capability

 = Semi-Active Federal

 = State Operated

1. These installations have a small support staff compared to active Army installations.
2. Medical and Dental facilities are limited, if available at all.
3. Special planning will be needed to provide medical and dental support to RC units reporting during a contingency, i.e. medical and dental emergencies, evacuation, inpatient support, definitive dental treatment in support of “discovered Class 3” prior to deployment.

MEDICAL UNITS: MTOE vs. TDA
