**15. TSP OPEN SEASON 15 MAY-31 JULY 2002:** Contribution percentages or dollar amount changes can be done via internet at [www.abc.army.mil](http://www.abc.army.mil) or via telephone toll free 1-877-276-9287. Allocations of your investment can be changed via computer at Thrift Savings Plans (TSP) [www.tsp.gov](http://www.tsp.gov). TSP is one of the best benefits we have as government employees with matching government contributions to Federal Employee Retirement System (FERS). Thrift Savings Plan is a vital part of your three part retirement program (Thrift Savings Plan, Social Security, and Pension). The Office of Personnel Management has advised employees under FERS who do not actively participate in Thrift Savings Plan contributions can expect a retirement annuity at or below POVERTY LEVEL. Congress is concerned that one-quarter of employees under FERS system are not contributing to the Thrift Savings Plan. The contribution limits will rise by another percentage point to 13% for FERS and 8 % for CSRS employees.

**16. ACADEMY OF HEALTH SCIENCES' BLOOD DRIVE: GIVE BLOOD** to the Armed Services Blood Program (ASBP) and you will provide direct medical support to fellow service members in their hour of need. Blood donated through ASBP is used to care for sick and injured military personnel and their family members. The Blood Drive will be held on Thursday 25 April 2002, from 0900-1300, in Willis Hall, Bldg 2841, Room 2202. **THE NEED** is great and constant. If everyone who is eligible gave routinely, blood levels would be sufficient to care for all service personnel and family members in need. Our comrades in arms need you. Concerns about the possible transmission of variant Creutzfeldt-Jakob Disease (vCJD), commonly know as Mad Cow Disease, have led ASBP to modify donor screening policies. Many personnel who have been stationed at European bases are no longer eligible to donate blood. The deferral policy will increase the overall number of eligible military donors. Up to 43 % will not be able to donate. The reduction in eligible donors makes it even more crucial for those who are eligible to give blood regularly. The POC's for this information are Ms. Hayden, 1-7316 or Ms. McGee, 1-7016. (MCCS-H/1-7316/7016) (1/2)
